Presenter Biographies

Dr. Shailesh Kottal

Dr. Kottal is an Oral and Maxillofacial Radiologist who has extensive knowledge of radiology pertaining to the maxillofacial area. He was trained at the University of Missouri-Kansas City. He is presently the Director of 3D imaging at Carestream Dental. His most recent appointment included serving as Clinical Assistant Professor operating the advanced imaging services of NYU College of Dentistry. As head of a group of oral and maxillofacial radiologists, he has spoken extensively on various aspects of clinical radiology in national and international venues where he has been chosen as a key note speaker on numerous occasions. Dr. Kottal is well versed in all aspects of 3D imaging using various imaging modalities with a focus on CBCT.

Dr. Shuaib Malik

Dr. Malik lectures and trains surgeons and dentists here in the US and all over the world on various complex surgical procedures. With his extensive training and clinical expertise, Dr. Malik has become a leading provider in the All-on-4 procedure. Dr. Malik is also trained in the placement of zygomatic and pterygoid implants in patients who have maxillary and mandibular deficiencies.

Dr. Robin Gallardi

Dr. Gallardi's areas of expertise include orthognathic surgery, temporomandibular joint disorders, reconstructive surgery, bone grafting and dental implants to replace missing teeth. Dr. Gallardi offers a unique skill set working closely with both dentists and specialists alike. Dr. Gallardi is on staff at Advocate Christ Hospital and is Board Certified by the Canadian Board of Oral and Maxillofacial

Presenter Bio's continued

Dr. Sunil Sinha

Dr. Sinha graduated from NYU College of Dentistry in 2002 and completed his OMFS training at the University of Cincinnati in 2007. Dr. Sinha is on staff at Advocate Christ Hospital. In his hospital practice, Dr. Sinha treats complicated cases of facial trauma. He also treats patients with various oral and facial pathology, TMD, sleep apnea, reconstructive and orthognathic surgery, cosmetic facial surgery and dental implants. Dr. Sinha is Board Certified by the American Board of Oral And Maxillofacial Surgery and is the President of The American College of Maxillofacial Implantology.
