Introduction to Bone Grafting Techniques with Hands-On Training

Presenter: Dr. Joseph A. Favia is a 1993 graduate of Loyola University School of Dentistry. He has received advanced dental training from The Peter Dawson Academy for Advanced Dental Education and The Pankey Institute. He also completed an Advanced Bone Grafting mentorship with Dr. Joel Rosenlicht. From 1997-2011, Dr. Favia founded and chaired The Windy City Classic Celebrity Golf Tournament which has raised over 1 million dollars toward cancer research in memory of Jim Valvano and Walter Payton. Dr. Favia served as the 2010 President of the Arlington Heights Chamber of Commerce where he founded The Taste of Arlington Heights that is now the Chambers largest annual event. In 2011, he was honored as the Business Leader of the Year by the Arlington Heights Chamber of Commerce, received a Heart of Gold Award from the Village of Arlington Heights in 2013 and was voted Best Dentist from Daily Herald's Readers Choice Award in 2013 and 2014. He founded The Midwest Surgical Institute for Dental Implants and currently teaches implant surgical procedures internationally to general dentists for Henry Schein's Camlog Implant System. Dr. Joe lives and maintains a private practice in Arlington Heights, IL with his wife and three children.

Date: July 24-25th, 2015

Location: The Center for Tissue, Innovation and Research in Kettering, OH

Hotel: A block of rooms have been reserved under “Maxxeus Training Course” at the Residence Inn in Beavercreek, OH for $114.99 per night. To reserve a room please call 937-427-3914 or visit maxxeusdental.com/julycourse to book online by June 23rd.

Course Description: During this course Dr. Favia will discuss bone grafting techniques and how best to implement them into your daily practice. The course will also discuss different materials to use for bone grafting. On the second day of the course, we will utilize a wet lab with porcine mandibles and maxilla to practice the techniques discussed during the course. The course will also include a tour of Community Tissue Services with information on tissue donation and processing.
Please complete this form to register for the Dr. Favia Training Course to be held on July 24th and 25th, 2015 at The Center for Tissue, Innovation and Research in Kettering, Ohio.

You will receive an email confirming your reservation for the training course.
